The notice also included instructions on how to receive such materials, at no charge, by paper delivery (along with a proxy card) or by e-mail. Beneficial owners received a similar notice from their broker, bank or other nominee. Please do not mail in the notice, as it is not intended to serve as a voting instrument. Notwithstanding anything to the contrary, the Trust may send certain shareholders of record a full set of proxy materials by paper delivery instead of the notice or in addition to sending the notice.

PROXY STATEMENT

2014 ANNUAL MEETING OF SHAREHOLDERS

The Board of Trustees (the "Board") of Ramco-Gershenson Properties Trust (the "Trust") is soliciting proxies for use at the 2014 annual meeting of shareholders of the Trust and any adjournment or postponement thereof. The annual meeting will be held at the offices of Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334, and virtually via the Internet at www.virtualshareholdermeeting.com/rpt2014, on Tuesday, May 6, 2014 at 9:00 a.m., Eastern Time.

On or about March 21, 2014, the Trust mailed to its shareholders of record of the Trust's common shares of beneficial interest (the "Shares"), other than shareholders who previously requested e-mail or paper delivery of proxy materials, a notice (the "Notice") containing instructions on how to access this proxy statement and the 2013 annual report through the Internet. Beneficial owners received a similar notice from their broker, bank or other nominee. In addition, on or about March 21, 2014, the Trust and brokers, banks and other nominees began mailing or e-mailing the proxy materials to shareholders of record who previously requested such delivery. Notwithstanding anything to the contrary in this proxy statement, the Trust may send certain shareholders of record a full set of proxy materials by paper delivery instead of the Notice or in addition to sending the Notice.

ABOUT THE MEETING

What is the purpose of the 2014 annual meeting of shareholders?

At the 2014 annual meeting, shareholders will act upon the matters outlined in the accompanying Notice of Meeting, including:

- the election of eight Trustees named in this proxy statement to serve until the annual meeting of shareholders in 2015;
- the ratification of the appointment of Grant Thornton LLP ("Grant Thornton") as the Trust's independent registered public accounting firm for the year ending December 31, 2014; and
- the approval (on an advisory basis) of the compensation of our named executive officers.

The Board recommends a vote **FOR** each of the Trustee nominees listed in this proxy statement, **FOR** the ratification of Grant Thornton's appointment, and **FOR** the approval, on an advisory basis, of the compensation of our named executive officers.

We are not aware of any other matters that will be brought before the shareholders for a vote at the annual meeting. If any other matter is properly brought before the meeting, your signed proxy card gives authority to your proxies to vote on such matter in their best judgment. The proxy holders named in the proxy card will vote as the Board recommends or, if the Board gives no recommendation, in their own discretion.

In addition, management will report on the performance of the Trust and will respond to appropriate questions from shareholders. The Trust expects that representatives of Grant Thornton will be present at the annual meeting and will be available to respond to questions. Such representatives will also have an opportunity to make a statement.

How can I attend the 2014 Annual Meeting?

You can attend our 2014 Annual Meeting in person, virtually via the Internet, or by proxy.

Attending In Person. Our 2014 Annual Meeting will take place at our principal executive offices located at 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334. You will need to present photo identification, such as a driver's license, and proof of Share ownership as of the record date in order to be allowed into the meeting.

Attending and Participating Online. You may also attend the 2014 Annual Meeting virtually via the Internet at www.virtualshareholdermeeting.com/rpt2014. Shareholders may vote and submit questions while attending the meeting virtually via the Internet. You will need the 12 or 14 digit control number included on your e-delivery notice, or Notice or proxy card (if you received a printed copy of the proxy materials), to enter the meeting via the Internet. Instructions on how to attend and

participate virtually via the Internet, including how to demonstrate proof of Share ownership, are posted at www.virtualshareholdermeeting.com/rpt2014.

Attending by Proxy. Please see “Can I vote my Shares without attending the annual meeting in person or virtually via the Internet?” below.

Who is entitled to vote?

Only record holders of Shares at the close of business on the record date of February 28, 2014 are entitled to receive notice of the annual meeting and to vote the Shares that they held on the record date. Each outstanding Share is entitled to one vote on each matter to be voted upon at the annual meeting.

What constitutes a quorum?

The presence at the annual meeting, in person, virtually via the Internet or by proxy, of the holders of a majority of the Shares outstanding on the record date will constitute a quorum for all purposes. As of the record date, 67,238,922 Shares were outstanding. Broker non-votes (defined below), and proxies marked with abstentions or withhold votes, will be counted as present in determining whether or not there is a quorum.

What is the difference between holding Shares as a shareholder of record and as a beneficial owner?

Shareholders of Record. If your Shares are registered directly in your name with the Trust’s transfer agent, American Stock Transfer & Trust Company, you are considered the shareholder of record with respect to those Shares, and the applicable proxy materials are being sent directly to you by the Trust. As the shareholder of record, you have the right to grant your voting proxy directly to the Trust through the enclosed proxy card, through the Internet or by telephone, or to vote in person at the annual meeting.

Beneficial Owners. Many of the Trust’s shareholders hold their Shares through a broker, bank or other nominee rather than directly in their own name. If your Shares are so held, you are considered the beneficial owner of Shares, and the applicable proxy materials are being forwarded to you by your broker, bank or nominee who is considered the shareholder of record with respect to those Shares. As the beneficial owner, you have the right to direct your broker, bank or nominee on how to vote and are also invited to attend the annual meeting. However, since you are not the shareholder of record, you cannot vote these Shares in person at the annual meeting unless you obtain a proxy from your broker, bank or nominee and bring such proxy to the annual meeting. Your broker, bank or nominee has enclosed voting instructions for you to use in directing the broker, bank or nominee on how to vote your Shares.

Why did many shareholders receive a Notice in the mail regarding the Internet availability of proxy materials this year instead of a full set of proxy materials?

The Trust has elected to furnish proxy materials to you primarily through the Internet, which expedites the receipt of materials, lowers our expenses and conserves natural resources. If you received the Notice containing instructions on how to access this proxy statement and the 2013 annual report through the Internet, please do not mail in the Notice, as it is not intended to serve as a voting instrument. For more information on attending the meeting virtually via the Internet, please see “How Can I attend the 2014 Annual Meeting?” above.

How can I access the Trust’s proxy materials and annual report on Form 10-K?

The “Investor Relations — SEC Filings” section of the Trust’s website, www.rgpt.com, provides access, free of charge, to Securities and Exchange Commission (“SEC”) reports as soon as reasonably practicable after the Trust electronically files such reports with, or furnishes such reports to, the SEC, including proxy materials, Annual Reports on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and amendments to these reports. In addition, a copy of the Trust’s Annual Report on Form 10-K for the year ended December 31, 2013 will be sent to any shareholder, without charge, upon written request sent to: Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, MI 48334. Further, the SEC maintains a website that contains reports, proxy and information statements and other information regarding issuers that file electronically with the SEC, including the Trust, at www.sec.gov.

As noted above, most shareholders will receive a Notice with instructions on how to view the proxy materials and annual report for 2013 through the Internet (at www.proxyvote.com). The Notice includes a control number (which is the same control number as that used to attend the meeting virtually via the Internet) that must be entered on the Internet in order to view the proxy materials. The Notice also describes how to receive the proxy materials by paper delivery or e-mail. You can elect to receive future

proxy materials by e-mail at no charge if you vote using the Internet and, when prompted, indicate you agree to receive or access shareholder communications electronically in future years. You may also request additional paper copies without charge by sending a written request to Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, MI 48334.

The references to the website addresses of the Trust and the SEC in this proxy statement are not intended to function as a hyperlink and, except as specified herein, the information contained on such websites is not part of this proxy statement.

Can I vote my Shares in person at the annual meeting?

Even if you plan to attend the meeting in person or virtually via the Internet, the Trust encourages you to vote your Shares prior to the meeting.

If you attend the meeting in person, you will need to present photo identification, such as a driver's license, and proof of Share ownership as of the record date when you arrive at the meeting. If you hold your Shares through a bank, broker or other holder of record and you plan to attend the annual meeting, you must present proof of your ownership of Shares, such as a bank or brokerage account statement, in order to be admitted to the meeting. No cameras, recording equipment, electronic devices, large bags, briefcases or packages will be permitted in the annual meeting.

To vote your Shares before the meeting through the Internet or by attending the meeting virtually via the Internet, you will need to demonstrate proof of your Share ownership pursuant to the instructions on how to do so as set forth in your Notice or proxy card, as applicable.

Shareholders of Record. If you are a shareholder of record and attend the annual meeting in person, you can deliver your completed proxy card or vote by ballot in person at the annual meeting. If you are a shareholder of record and attend the annual meeting virtually via the Internet, you can deliver your completed proxy card as discussed in the next question below or vote during the meeting by ballot in accordance with the instructions on how to participate virtually via the Internet which are posted at www.virtualshareholdermeeting.com/rpt2014.

Beneficial Owners. If you hold your Shares through a broker, bank or other nominee and want to vote such Shares in person at the annual meeting, you must obtain a proxy from your broker, bank or other nominee giving you the power to vote such Shares and bring such proxy to the annual meeting. If you hold your Shares through a broker, bank or other nominee and want to vote such Shares virtually via the Internet at the annual meeting, you should follow the instructions at www.virtualshareholdermeeting.com/rpt2014 in order to vote at the meeting.

Can I vote my Shares without attending the annual meeting in person or virtually via the Internet?

By Mail. If you received your annual meeting materials by paper delivery, you may vote by completing, signing and returning the enclosed proxy card or voting instruction card. Please do not mail in the Notice, as it is not intended to serve as a voting instrument.

By telephone. If you received your annual meeting materials by paper delivery, you may vote by telephone as indicated on your enclosed proxy card or voting instruction card.

Through the Internet. You may vote before or during the meeting through the Internet as instructed on your Notice, proxy card, voting instruction card, or e-mail notification. In order to vote through the Internet, you must enter the control number set forth in your Notice, proxy card, voting instruction card, or e-mail notification. If you do not have any of these materials and are a shareholder of record, you may contact Ramco Investor Relations (telephone number: 248-350-9900) to request a proxy card (which will include your control number) to be mailed to your address on record or an e-mail with your control number to be sent to your e-mail address on record. If you do not have any of these materials and are a beneficial owner, you must contact your broker, bank or other nominee to obtain your control number.

Can I change my vote?

Shareholders of Record. You can change your vote at any time before the proxy is exercised by filing with the Secretary of the Trust either a notice revoking the proxy or a new proxy that is dated later than the original proxy. You can also change your vote through the Internet, by telephone or by taking action at the annual meeting. If you vote your shares by proxy and then attend the annual meeting in person or virtually via the Internet, the individuals named as proxy holders in the enclosed proxy card will nevertheless have authority to vote your Shares in accordance with your instructions on the proxy card unless you properly file such revocation notice or new proxy.

Beneficial Owners. If you hold your Shares through a bank, broker or other nominee, you should contact such person prior to the time such voting instructions are exercised.

What does it mean if I receive more than one proxy card or voting instruction card?

If you receive more than one proxy card or voting instruction card, it means that you have multiple accounts with banks, brokers, other nominees and/or the Trust's transfer agent. Please take action with respect to each proxy card and voting instruction card that you receive. The Trust recommends that you contact such persons to consolidate as many accounts as possible under the same name and address.

What if I do not vote for some of the items listed on my proxy card or voting instruction card?

Shareholders of Record. Proxies that are properly executed without voting instructions on certain matters will be voted in accordance with the recommendations of the Board on such matters.

Beneficial Owners. If you hold your Shares in street name through a broker, bank or other nominee and do not provide voting instructions for any or all matters, such nominee will determine if it has the discretionary authority to vote your Shares. Under applicable law and New York Stock Exchange ("NYSE") rules and regulations, brokers have the discretion to vote on routine matters, such as the ratification of the appointment of the Trust's independent registered public accounting firm, but do not have discretion to vote on non-routine matters. For all other matters at the 2014 annual meeting, the Trust believes that your bank, broker or nominee will be unable to vote on your behalf if you do not instruct it how to vote your Shares. If you do not provide voting instructions, your Shares will be considered "broker non-votes" with regard to the non-routine proposals because the broker will not have discretionary authority to vote thereon. Therefore, it is very important for you to vote your Shares for each proposal.

What vote is required to approve each item?

Proposal 1 — Election of Trustees. The eight nominees who receive the most votes cast "FOR" at the annual meeting will be elected as Trustees. The Board's slate of nominees consists of Stephen R. Blank, Dennis Gershenson, Arthur Goldberg, David J. Nettina, Matthew L. Ostrower, Joel M. Pashcow, Mark K. Rosenfeld and Michael A. Ward, each nominated for a one-year term ending at the 2015 annual meeting of shareholders. Withheld votes and broker non-votes will have no effect on the outcome of the vote.

Proposal 2 — Ratification of Appointment of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to ratify the Audit Committee's appointment of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2014. Abstentions will not be counted as votes cast at the annual meeting and will have no effect on the result of the vote.

Proposal 3 — Advisory Approval of the Compensation of Our Named Executive Officers. The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to approve, on an advisory basis, the compensation of our named executive officers. Abstentions and broker non-votes will have no effect on the outcome of the vote.

Other Matters. If any other matter is properly submitted to the shareholders at the annual meeting, its adoption will generally require the affirmative vote of a majority of the votes cast at the annual meeting. The Board does not propose to conduct any business at the annual meeting other than as stated above.

Although the advisory vote in Proposal No. 3 is not binding on the Trust, the Board and the Compensation Committee will take your vote into consideration in determining future activities.

How do I find out the voting results?

We intend to announce preliminary voting results at the annual meeting and to disclose the final voting results in a current report on Form 8-K within four business days of the annual meeting.

PROPOSAL 1 — ELECTION OF TRUSTEES

The Board currently consists of nine Trustees. Each Trustee is elected for a one-year term. Robert A. Meister declined to stand for re-election and as a result the Nominating and Governance Committee recommended the Board reduce the size of the Board to eight. Eight Trustees are to be elected at the 2014 annual meeting to serve until the annual meeting of shareholders in 2015 and until their successors are duly elected and qualified or until any such Trustee's earlier resignation, retirement or other termination of service. The eight nominees who receive the most votes cast at the annual meeting will be elected as Trustees. The Board has re-nominated Stephen R. Blank, Dennis Gershenson, Arthur Goldberg, David J. Nettina, Matthew L. Ostrower, Joel M. Pashcow, Mark K. Rosenfeld and Michael A. Ward. **The Board recommends that you vote FOR the re-election of the Board's nominees.**

Each of the eight nominees has consented to serve a one-year term and has consented to be named in this proxy statement. If for any reason any of the nominees becomes unavailable for election, the Board may designate a substitute nominee. In such case, the persons named as proxies in the accompanying proxy card will vote for the Board's substitute nominee. Alternatively, the Board may reduce the size of the Board or leave the position vacant.

The Trustees and nominees of the Trust are as follows:

Name	Age	Title
Stephen R. Blank	68	Chairman of the Board
Dennis Gershenson	70	Trustee; President and Chief Executive Officer of the Trust

David J. Nettina	61	Trustee
Matthew L. Ostrower	43	Trustee

Trustee Background and Qualifications

As a fully integrated self-administered, publicly-traded REIT which owns, develops, acquires, manages and leases community shopping centers in the Midwestern, Southeastern and Mid-Atlantic regions of the United States, the Trust's business involves a wide range of real estate, financing, accounting, management and financial reporting issues. In light of the Trust's business and structure, the Nominating and Governance Committee considers the experience, mix of skills, independence from management and other qualities of the Trustees and nominees to ensure appropriate Board composition. In particular, the Nominating and Governance Committee believes that Trustees and nominees with the following qualities and experiences can assist in meeting this goal:

Senior Leadership Experience. Trustees with experience in significant leadership positions provide the Trust with perspective in analyzing, shaping and overseeing the execution of operational, organizational, and strategic issues at a senior level. Further, such persons have a practical understanding of balancing operational and strategic goals and risk management. Through their service as top leaders at other organizations, they also have access to important sources of market intelligence, analysis and relationships that benefit the Trust.

Business Entrepreneurship and Transactional Experience. Trustees who have a background in entrepreneurial businesses and growth transactions can provide insight into developing and implementing strategies for entering into new business segments, partnering in joint ventures, and/or growing via mergers and acquisitions. Further, they have a practical understanding of the importance of "fit" with the Trust's culture and strategy, the valuation of transactions and business opportunities, and management's plans for integration with existing operations.

Financial and Accounting Experience. An understanding of the financial markets, corporate finance, accounting requirements and regulations, and accounting and financial reporting processes allows Trustees to understand, oversee and advise management with respect to the Trust's operating and strategic performance, capital structure, financing and investing activities, financial reporting and internal control of such activities. The Trust seeks to have a number of Trustees who qualify as audit committee financial experts, and expects all of the Trustees to be financially knowledgeable.

Real Estate Experience. An understanding of real estate issues, particularly with respect to real estate investment trusts, real estate development, community shopping centers, and key tenants, brings critical industry-specific knowledge and experience to

our Board. Education and experience in the real estate industry is useful in understanding the Trust's acquisition, development, leasing and management of shopping centers, and the competitive landscape of its industry.

Public Company Board Experience. Trustees who serve, or have served, on other public company boards can offer advice and insights with regard to the dynamics and operation of a board of trustees, the relations of a board to the CEO and other management personnel, the importance of particular agenda and oversight matters, and oversight of a changing mix of strategic, operational, and compliance-related matters. In addition, each of the Trustees is currently a member of the National Association of Corporate Directors.

The following sets forth the business experience during at least the past five years of each Board nominee and each of the Trustees whose term of office will continue after the annual meeting. The years of Trustee service include service for the Trust's predecessors. In addition, the following includes, for each Trustee, a brief discussion of the specific experiences, qualifications, attributes and skills that led to the conclusion that each of the Trustees should continue to serve on the Board in light of the goals set forth above.

Mr. Ward's knowledge of the Trust and its culture based on his 48 years of service led the Nominating and Governance Committee to conclude Mr. Ward should continue to serve as a member of our Board.

Trustee Independence

The NYSE listing standards set forth objective requirements for a Trustee to satisfy, at a minimum, in order to be determined independent by the Board. In addition, the NYSE listing standards require the Board to consider all relevant facts and circumstances, including the Trustee's commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, and such other criteria as the Board may determine from time to time. The Board has determined, after considering all of the relevant facts and circumstances, that each of Messrs. Blank, Goldberg, Meister, Nettina, Ostrower, Pashcow, Rosenfeld and Ward are independent Trustees and therefore the Trust satisfies the requirements of the NYSE listing standards and the Trust's Corporate Governance Guidelines that at least a majority of the Trustees be independent. In particular, the Board considered:

- Ward's prior service to the Trust as an employee and officer, as well as the partnerships of which he and Dennis Gershenson are partners, among others, and which hold a significant amount of OP Units, and determined that such relationships did not impede his independence.

The Audit Committee, Compensation Committee, and Nominating and Governance Committee are composed entirely of independent Trustees. In addition, after considering all of the relevant facts and circumstances, the Board has determined that each member of the Audit Committee qualifies under the Audit Committee independence standards established by the SEC and the NYSE.

BOARD MATTERS

The Board of Trustees

General

The Board has general oversight responsibility of the Trust's affairs and the Trustees, in exercising their fiduciary duties, represent and act on behalf of the shareholders. Although the Board does not have responsibility for the Trust's day-to-day management, it stays regularly informed about the Trust's business and provides guidance to management through periodic meetings and other informal communications. The Board is significantly involved in, among other things, the Trust's strategic and financial planning process, leadership development, as well as other functions carried out through the Board committees as described below. The Board, led by the Nominating and Governance Committee, also performs an annual performance review of the Board and individual Trustees.

Board Leadership

Mr. Blank has served as the independent Chairman of the Board since September 2009. From June 2006 to September 2009, Mr. Gershenson was the Chairman of the Board and Mr. Blank served as Lead Trustee.

The Board does not have a specific policy on whether the Chairman should be a non-employee Trustee or if the Chairman and Chief Executive Officer positions should be separate. In accordance with the Corporate Governance Guidelines, if the Chairman is also the Chief Executive Officer of the Trust, then one of the independent members of the Board will be named as Lead Trustee. The Board believes either circumstance provides sufficient checks and balances and is appropriate to further the interests of shareholders of the Trust. Further, in either case, the Board believes that its independent Trustees, who represent eight of nine members of the Board, are deeply engaged and provide significant independent leadership and direction given their executive and Board experience. See "Proposal 1— Election of Trustees — Trustee Background and Qualifications" above. The independent Trustees are the sole members of the Audit, Compensation, and Nominating and Governance committees, which oversee critical matters of the Trust such as the integrity of the Trust's financial statements, the compensation of executive management, the nomination and evaluation of Trustees, and the development and implementation of the Trust's corporate governance policies and structures. The independent Trustees also meet regularly in executive session at Board and committee meetings and have access to independent advisors as they deem appropriate. Management supports this oversight role through its tone-at-the-top and open communication.

Oversight of Risk Management

The Board oversees the Trust's risk management. This oversight is administered primarily through:

- the Board's review and approval of management's annual business plan and long-term strategic plan;
- at least quarterly review by the Board of business developments, strategic plans and implementation, liquidity and financial results;
- the Board's oversight of succession planning;
- the Board's oversight of capital spending and financings;
- the Audit Committee's oversight of the Trust's financial reporting, internal control over financial reporting and its discussions with management and the independent accountants regarding the quality and adequacy thereof;
- the Nominating and Governance Committee's leadership in the corporate governance policies of the Trust and the self-evaluation assessments of the Board and committees; and
- the Compensation Committee's review and approvals regarding executive officer compensation and its relationship to the Trust's business plan, as well its review of compensation plans generally and the related risks.

Meetings

In 2013, the Board held six meetings. Non-management Trustees hold regularly scheduled executive sessions in which non-management Trustees meet without the presence of management. These executive sessions generally occur around regularly scheduled meetings of the Board. Mr. Blank presides at such executive sessions.

Trustees are expected to attend all Board and committee meetings, as well as the Trust's annual meeting of shareholders. In 2013, all of the Trustees attended at least 75% of the aggregate meetings of the Board and all committees of the Board on which they served. All of the Trustees attended the 2013 annual meeting of shareholders.

Committees of the Board

The Board has delegated various responsibilities and authority to Board committees and each committee regularly reports on its activities to the Board. Each committee, except the Executive Committee, has regularly scheduled meetings. Each committee operates under a written charter approved by the Board, which is reviewed annually by the respective committees and the Board and is available on the Trust’s website under “Investor Relations — Corporate Overview — Governance Documents” at www.rgpt.com. The table below sets forth the current membership and 2013 meeting information for the four standing committees of the Board:

Audit Committee

The Trust has a separately-designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. The Audit Committee is responsible for providing independent, objective oversight and review of the Trust’s consolidated financial statements, the Trust’s system of internal controls, the Trust’s risk management system, the qualifications, performance and independence of the Trust’s independent registered public accounting firm, the performance of the Trust’s internal audit function and the Trust’s compliance with legal and regulatory requirements. The Audit Committee also has the sole authority and responsibility to appoint, determine the compensation of, evaluate and, when appropriate, replace the Trust’s independent registered public accounting firm. See “Audit Committee Disclosure,” “Report of the Audit Committee” and the Audit Committee’s charter for additional information on the responsibilities and activities of the Audit Committee.

The Board has determined that Messrs. Blank, Goldberg, Nettina, Ostrower and Rosenfeld are each financially literate and have the accounting or related financial management expertise in accordance with NYSE listing standards, and are each an audit committee financial expert as defined in the rules and regulations of the SEC. See “Proposal 1— Election of Trustees — Trustee Background and Qualifications” for a description of their relevant business experience. The designation of an “audit committee financial expert” does not impose upon such person any duties, obligations or liabilities that are greater than are generally imposed on such person as a member of the Audit Committee and the Board, and such designation does not affect the duties, obligations or liabilities of any other member of the Audit Committee or the Board.

Compensation Committee

The Compensation Committee administers the executive compensation program of the Trust. The Compensation Committee’s responsibilities include recommending and overseeing compensation and benefit plans and policies, approving equity grants and otherwise administering share-based plans, and reviewing annually all compensation decisions relating to the Trust’s executive officers. The Compensation Committee also reviews and discusses, at least annually, the relationship between risk management policies and practices, corporate strategy and the Trust’s compensation programs. See “Compensation Discussion and Analysis,” “Compensation Committee Report” and the Compensation Committee’s charter for additional information on the responsibilities and activities of the Compensation Committee.

Role of Management. Similar to prior years, the Compensation Committee sought recommendations of Mr. Gershenson with respect to the Trust’s 2013 executive compensation program. See “Compensation Discussion and Analysis — Process for Making Compensation Determinations — Advisors Utilized in Compensation Determinations” for further information.

Role of Compensation Consultant. The Compensation Committee has the sole authority to engage outside advisors and establish the terms of such engagement, including compensatory fees. The Compensation Committee engaged Meridian Compensation Partners LLC (“Meridian”) as its compensation consultant for 2013 with respect to executive compensation and Trustee compensation programs generally. The Compensation Committee works with management to determine Meridian’s responsibilities and direct its work product, but the Compensation Committee is responsible for the formal approval of the annual work plan.

In compliance with the SEC and the NYSE pending disclosure requirements regarding the independence of compensation consultants, Meridian provided the Compensation Committee with a letter addressing each of the six independence factors. Their responses affirm the independence of Meridian and the partners, consultants, and employees who service the Compensation Committee on executive compensation matters and governance issues.

Nominating and Governance Committee

The Nominating and Governance Committee is responsible for identifying and nominating individuals qualified to serve as Board members, recommending Trustees for each Board committee and overseeing the Trust’s Corporate Governance Guidelines and related corporate governance issues. The Nominating and Governance Committee also is responsible for the Trust’s Code of Business Conduct and Ethics and considers any requests for waivers from such code. See the Nominating and Governance Committee’s charter for additional information on its responsibilities and activities.

The Nominating and Governance Committee considers the experience, mix of skills and other qualities of the existing Board to ensure appropriate Board composition. The Nominating and Governance Committee does not have a specific diversity policy underlying its nomination process, although it seeks to ensure the Board includes members with diverse backgrounds, qualifications, skills and experience, including appropriate financial, governance, capital market, real estate and other expertise relevant to the Trust’s business. Generally, the Nominating and Governance Committee will re-nominate incumbent Trustees who continue to satisfy its criteria for members of the Board, who it believes will continue to make important contributions to the Board and who consent to continue their service on the Board. If a vacancy on the Board occurs, the Nominating and Governance Committee will review the experience, mix of skills and background, independence and other qualities of a nominee to ensure appropriate Board composition after taking into account the current Board members and the specific needs of the Trust and Board.

The Nominating and Governance Committee generally relies on multiple sources for identifying and evaluating nominees, including referrals from the Board and the Trust’s management. The Nominating and Governance Committee did not engage a search firm or pay fees to other third parties in connection with identifying or evaluating Board nominees set forth in this proxy statement. The Nominating and Governance Committee does not solicit Trustee nominations, but will consider nominee recommendations by shareholders with respect to elections to be held at an annual meeting, so long as such recommendations are timely made and otherwise in accordance with the Trust’s Bylaws and applicable law. Such recommendations will be evaluated against the same criteria used to evaluate other nominees. The Trust did not receive any nominations of Trustees by shareholders for the 2014 annual meeting of shareholders.

Under the Bylaws, shareholders must follow an advance notice procedure to nominate candidates for election as Trustees or to bring other business before an annual meeting. The advanced notice procedures set forth in the Bylaws do not affect the right of shareholders to request the inclusion of proposals in the Trust’s proxy statement and form of proxy pursuant to SEC rules. See “Additional Information — Presentation of Shareholder Proposals and Nominations at 2014 Annual Meeting” for information regarding providing timely notice of shareholder proposals and nominations.

Executive Committee

The Executive Committee is permitted to exercise all of the powers and authority of the Board, except as limited by applicable law and the Bylaws. The Executive Committee generally acts by way of unanimous written consent in lieu of holding a meeting.

Corporate Governance

The Board and management are committed to responsible corporate governance to ensure that the Trust is managed for the benefit of its shareholders. To that end, the Board and management periodically review and update the Trust’s corporate governance policies and practices as appropriate or required by applicable law, the NYSE listing standards or SEC regulations.

The Trust has adopted a Code of Business Conduct and Ethics which sets forth basic principles to guide the conduct of Trustees and the Trust’s employees, including its principal executive officer, principal financial officer, principal accounting officer or controller and persons serving similar functions. The code covers numerous topics including illegal or unethical behavior, conflicts of interest, compliance with laws, corporate opportunities and confidentiality. A copy of the Trust’s Code of Business Conduct and Ethics is available on the Trust’s website under “Investor Relations — Corporate Overview — Governance

Documents” at www.rgpt.com. Any waiver or material amendment that relates to the Trustees or certain executive officers of the Trust will be publicly disclosed in such subsection on the Trust’s website within four business days of such action. See “Related Person Transactions” for additional information regarding policies and procedures specifically addressing related person transactions.

The Trust has also adopted Corporate Governance Guidelines, which address, among other things, a Trustee’s responsibilities, qualifications (including independence), compensation and access to management and advisors. The Nominating and Governance Committee is responsible for overseeing and reviewing these guidelines and recommending any changes to the Board. A copy of the Trust’s Corporate Governance Guidelines is available on the Trust’s website under “Investor Relations — Corporate Overview — Governance Documents” at www.rgpt.com.

A copy of the Trust’s committee charters, Code of Business Conduct and Ethics and Corporate Governance Guidelines will be sent to any shareholder, without charge, upon written request sent to the Trust’s executive offices: Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334.

Trustee Compensation

The Compensation Committee and Board believe that Trustees should receive a mix of cash and equity. Compensation paid to the non-employee Trustees is intended to provide incentives to such persons to continue to serve on the Board, to further align the interests of the Board and shareholders and to attract new Trustees with outstanding qualifications. Trustees who are employees or officers of the Trust or any of its subsidiaries do not receive any compensation for serving on the Board or any committees thereof; therefore, Mr. Gershenson is excluded from the Trustee compensation table below.

2013 Non-Employee Trustee Annual Cash Retainer and Meeting Fees. In 2013, each non-employee Trustee, other than the Chairman of the Board, received an annual cash retainer equal to approximately \$30,000 and an annual equity retainer, consisting of a grant of restricted shares, valued at approximately \$50,000 (or 3,211 restricted shares). The restricted shares were granted on July 1st and vest in full on the first anniversary of the grant date. There were no additional fees paid per meeting attended. In addition, the Chairman of the Board received an annual cash retainer of \$100,000. The chairmen of the Audit, Compensation, Nominating and Governance, and Executive Committees each received additional cash annual retainers in the amounts of \$7,500, \$5,000, \$5,000 and \$2,500, respectively. The Trust also reimburses all Trustees for all expenses incurred in connection with attending any meetings or performing their duties as Trustees.

Stock Ownership Guidelines. Effective September 2008, the Compensation Committee approved stock ownership guidelines for the Trustees. The guidelines require such persons to hold directly a number of Shares (including unvested restricted Shares) having a market value equal to three times the then current annual stock grant denominated in Shares for all Trustees. New Trustees have a five-year period to comply with the guidelines. The Compensation Committee reviews the minimum equity holding level and other market trends and practices on a periodic basis. The Compensation Committee has confirmed that all Trustees currently satisfy the guidelines.

Deferred Fee Plan. The Trust maintains the Ramco-Gershenson Properties Trust Deferred Fee Plan for Trustees. A Trustee may elect to defer the entire annual equity retainer earned for services provided during a subsequent calendar year (“Deferral Year”) by completing and filing a proper deferred fee agreement with the Secretary of the Trust no later than December 31 of the year prior to the Deferral Year. Any shares deferred will be credited to a deferred share account and will be entitled to receive distributions, which at the Trustee’s election will either be paid in cash or will be reinvested in Shares. A Trustee may modify or revoke his or her existing fee deferral election only on a prospective basis, only for an annual equity retainer to be earned in a subsequent calendar year, and only if the Trustee executes a new deferred fee agreement or revokes his or her existing deferred fee agreement in writing by December 31 of the year preceding the calendar year for which such modification or revocation is to be effective. The Trustee must elect the end of the deferral period at the time of such election and, except for limited circumstances, no Trustee shall have any right to make any early withdrawals from the Trustee’s deferred fee accounts.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of the Board (referred to as the “Committee” in this section), composed entirely of independent Trustees, administers the executive compensation program of the Trust. The Committee’s responsibilities include recommending and overseeing compensation and benefit plans and policies, reviewing and approving equity grants and otherwise administering share-based compensation plans, and reviewing and approving annually all compensation decisions relating to the Trust’s executive officers, including the Chief Executive Officer, the Chief Financial Officer and the other executive officers named in the Summary Compensation Table (the “named executive officers”) and the other Named Executive Officer Compensation Tables. This section of the proxy statement explains how the Trust’s compensation programs are designed and operated in practice with respect to the named executive officers.

Executive Summary

Key Highlights

The following is a summary of key aspects of the Trust’s 2013 business results and its 2013 compensation program for named executive officers:

- **Trust’s 2013 Business Results.** During 2013, the Trust achieved a number of positive business results that are expected to contribute to its long-term success. Such business results include expanding its market presence, acquiring additional shopping centers, decreasing vacant anchor spaces and increasing its occupancy rate. See the section below entitled “—

Overview of 2013 Operating Performance and Pay-For-Performance” for additional discussion of these business results and our total shareholder return.

- **Multifaceted Compensation Program.** Each named executive officer participates in three primary elements of the Trust’s executive compensation program: a base salary; an annual cash bonus; and stock-based long-term incentive awards. Base salaries provide a fixed component of compensation that is required to retain key executives. Annual cash bonuses are awarded based upon performance relative to specified incentive targets (for the CEO and CFO) or on a discretionary basis (for other named executive officers). Long-term incentive awards consist half of service-based grants of restricted stock that vest over five years and half of performance-based restricted share units that are settled in cash upon the achievement of specified three-year performance criteria and the satisfaction of certain service-based vesting conditions. The Trust provides limited perquisites to named executive officers and does not maintain any defined pension plans. The Trust offers named executive officers an equity deferral plan, although such plan has rarely been utilized.
- **Base Salary Increases and Annual Bonus Potential.** The Committee increased base salaries for the named executive officers as follows: Messrs. Gershenson and Andrews each received a 4% increase, Ms. Clark received a 5% increase, and Messrs. Sullivan and Zantello each received a 3% increase. In keeping with its belief for appropriate levels of target bonuses, the Committee set the target bonuses for Messrs. Sullivan and Zantello and for Ms. Clark at 36% of base salary for 2013. Additionally, the Committee set Mr. Gershenson’s target bonus for 2013 at 100% of his base salary, with the target bonus for Mr. Andrews set at 60% of his base salary.
- **Emphasis on Pay-for-Performance.** For 2013, performance-based compensation equaled 50% of the Target Compensation (as defined below) of our chief executive officer and over 35% for each other executive officer. Performance-based compensation includes bonus compensation and the performance-based component of the long-term incentive program.
- **Balance of Short-Term and Long-Term Compensation.** For 2013, long-term incentive compensation represented 35-40% of Target Compensation. Through grants of new long-term awards, unvested amounts of prior awards, and stock ownership guidelines, named executive officers have substantial incentives to focus on the long-term performance of the Trust.
- **Change of Control Policy; Employment Agreements with Certain Named Executive Officers.** The Trust maintains a Change in Control Policy applicable to the CEO, CFO, executive vice presidents, and senior vice presidents, which includes all named executive officers. Benefits under the policy require a “double trigger,” which means a change of control and the actual or constructive termination of employment within one year after the trigger event. In addition, the policy does not provide for a tax gross-up on benefits. The Trust believes that this policy is competitive with policies of its peers and provides executives with incentives to continue working diligently on the Trust’s behalf in the event of any possible change of control. In addition to the foregoing, the Trust is party to employment agreements with Messrs. Gershenson and Andrews. There were no changes to those employment agreements in 2013.
- **Significant Shareholder Support for Compensation Program for Named Executive Officers.** The Trust’s say-on-pay proposal was approved by approximately 97% of the votes cast at the 2013 annual meeting and approximately 84% of the outstanding voting shares. The Committee and Board discussed the results of such shareholder vote in detail. In light of the significant shareholder support and many other factors discussed herein, the Committee determined that no material changes to the compensation policies and programs for the named executive officers were necessary.

Overview of 2013 Compensation Actions

In December 2012, the Committee established a base salary for each named executive officer, and in February 2013, the Committee established a target annual cash bonus and target long-term restricted stock incentive awards (collectively, with base salary, the “Target Compensation”) for each named executive officer. In considering the appropriate levels of Target Compensation, the Committee balanced the need to retain and motivate the Trust’s named executive officers while managing the Trust’s cash and non-cash expense and strengthening the alignment of management with the Trust’s shareholders.

The Committee also continued its practice of awarding grants of restricted stock under the Trust’s long-term incentive program. The Committee approved long-term incentive targets equal to 75% to 135% of base salary for all named executive officers, with the total amount divided equally between service-based restricted stock grants vesting over five years and performance-based restricted share units that vest and are subsequently settled in cash upon the achievement of specified performance criteria and the satisfaction of certain service-based vesting conditions. As in the prior year, the performance-based grants were based upon the Trust’s prospective total shareholder return relative to a defined peer group over a 3-year period. Performance (relative to the peer group) at the 33rd, 50th, 75th and 90th percentiles would result in payouts of 50%, 100%, 150%, and a maximum 200%, respectively, of the target incentive with a linear adjustment in payout between the performance levels. At the end of the performance period, any awards earned under the performance-based program are paid out 50% in March of the following year and 50% a year later.

The following table sets forth the Target Compensation for the named executive officers in 2013:

Overview of 2013 Operating Performance and Pay-For-Performance

Target Performance Metrics. At the beginning of 2013, the Trust established a primary corporate financial objective, which management and the Board deemed important to the short-term and long-term success of the Trust. At that same time, the Trust also established a second corporate financial objective that would serve as a payment condition for its bonuses. The primary objective was to maximize income and cash flow, with a target Operating FFO (funds from operations, as adjusted for certain one-time items) of \$1.09 per diluted share. The second objective (and payment condition) was to operate with acceptable levels of leverage or a maximum ratio of debt to EBITDA (earnings before interest, taxes, depreciation and amortization) of 6.8X. Finally, for 2013, the Trust added a third goal of upgrading and diversifying assets for 2013.

During 2013, the Trust achieved substantial progress on its corporate financial objectives. The Trust achieved Operating FFO per diluted share of \$1.17 by increasing occupancy in anchor and shop space, reducing interest expense, and controlling overhead expenses, among other items. The Trust also reduced consolidated debt to EBITDA from 6.6X at the end of 2012 to 6.3X at the end of 2013, by raising common equity, selling assets, paying down debt, and increasing EBITDA through leasing and investment activity.

In making its compensation-related decisions, the Committee also made note of certain of the Trust's business results in 2013, which are expected to contribute to its long-term success. These business results include commencing and/or facilitating the development of shopping centers in Jacksonville, Florida, and Milwaukee, Wisconsin; and redeveloping properties in Columbus, Ohio and Atlanta, Georgia. The Trust's operational success in 2013 led to an improvement in the leased occupancy of its core shopping center portfolio to 96.0% (from 94.6% in 2012).

Cash bonus payments to named executive officers reflected both the Trust's success in accomplishing its goals and individual accomplishments during 2013. Specifically, the 2013 bonus plan for the CEO and CFO was predicated on achieving targeted levels of FFO per diluted share. Based upon the Trust's financial results for 2013 and financial position as of the end of 2013, the CEO and CFO achieved 180% of target for FFO per diluted share. See "—Annual Bonus—Dennis Gershenson and Gregory Andrews" for a discussion of the actual performance results under the 2013 annual bonus plan.

For the three other named executive officers, annual bonuses were determined at the discretion of the Committee, based upon a review of corporate, departmental and individual performance, together with input from the CEO. Each of these three named executive officers achieved bonuses above the target level for 2013. See "—Annual Bonus—Other Named Executive Officers" for a discussion of the actual performance results under the 2013 annual bonus plan.

Notwithstanding the foregoing, the Committee retains discretion to revise performance-based compensation for individual performance or extraordinary circumstances. The Committee also retains discretion to provide bonuses outside the Trust's annual bonus plan, make equity grants other than under the existing long-term incentive program, and to provide other compensation. In 2013, the Committee granted a discretionary equity award to Mr. Zantello. See "2013 Compensation Determinations—Long-Term Incentive Compensation."

2013 Results and Earned Compensation. The named executive officers earn the Target Compensation only to the extent target performance measures are achieved. To the extent target performance measures are not achieved or are exceeded, the named executive officers generally will earn compensation below or above the Target Compensation, respectively.

From the beginning of the performance period in January 2011 through December 31, 2013, the Trust's annualized 3-year total shareholder return was 48.2% (92nd percentile of the peer group). Such performance resulted in a 200% payout of the target performance-based restricted stock awards under Trust's 2011-2013 performance awards.

Compensation Philosophy, Program Objectives and Key Features

The Trust's compensation program for named executive officers is designed to:

- establish and reinforce the Trust's pay-for-performance philosophy;
- motivate and reward the achievement of specific annual and long-term financial and strategic goals of the Trust;
- link actual compensation earned to the relative performance of the Trust's total shareholder return as compared against the peer companies;
- attract, retain and motivate key executives critical to the Trust's operations and strategies; and
- be competitive relative to peer companies.

In furtherance of the foregoing, the Trust's compensation program for named executive officers historically has consisted of a base salary, an annual bonus, long-term incentive compensation and certain other benefits. The Trust also provides certain deferred compensation and severance arrangements.

The Committee recognizes that a compensation program must be flexible to address all of its objectives. The Committee historically has used market data as a compensation guideline, and the Committee also considers Trust performance, individual performance reviews, hiring and retention needs and other market factors in finalizing its compensation determinations. The Committee customarily takes significant direction from the recommendations of Mr. Gershenson and market data from third party consultants to determine the amount and form of compensation utilized in the executive compensation program. See "Process for Making Compensation Determinations — Advisors Utilized in Compensation Determinations" below.

The following table sets forth how each element of compensation in the 2013 executive compensation program is intended to satisfy one or more of the Trust's compensation objectives, as well as key features of the compensation elements that address such objectives.

Management and Other Employees. The Committee takes significant direction from the recommendations of Mr. Gershenson regarding the design and implementation of the executive compensation program because he has significant involvement in, and knowledge of, the Trust's business goals, strategies and performance, the overall effectiveness of the executive officers and each person's individual contribution to the Trust's performance. For each named executive officer, the Committee is provided a compensation recommendation as well as information regarding historical earned compensation, the individual's experience, current performance, potential for advancement and other subjective factors. Mr. Gershenson also provides recommendations for the performance metrics to be utilized in the incentive compensation programs, the appropriate performance targets and an analysis of whether such performance targets have been achieved (including recommended adjustments). The Committee retains the discretion to modify the recommendations of Mr. Gershenson and reviews such recommendations for their reasonableness based on the Trust's compensation philosophy and related considerations.

Generally, the Committee sets the meeting dates and agendas for Committee meetings and Mr. Gershenson is invited to attend many of such meetings. The Committee also meets regularly in executive session outside the presence of management to discuss compensation issues generally, as well as to review the performance of and determine the compensation of Mr. Gershenson. The Trust's legal advisors, human resources department and corporate accounting department support the Committee in its work in developing and administering the compensation plans and programs.

Third-Party Consultants. With respect to the 2013 executive compensation program, the Compensation Committee engaged Meridian to discuss best-practices and market trends in executive compensation and provide a detailed analysis of the long-term incentive program. In addition, the Committee and Mr. Gershenson historically have used market data as an important guideline in establishing target compensation, with the objective of having various compensation elements at or slightly above the market median. See "— Compensation Differences Among Named Executive Officers" below for information regarding benchmarking in 2013.

Compensation Differences Among Named Executive Officers

The Trust does not have a fixed internal pay equity scale but rather determines the compensation for each role based upon scope of responsibility and market rates of compensation. In past years, the Committee utilized benchmarking by job responsibilities and position in establishing certain compensation levels, which continues to impact the compensation levels in 2013. Mr. Gershenson, President and Chief Executive Officer, leads the management of the Trust across all departments as well as serving as management's representative on the Board. The total compensation among our named executive officers varies as a result of each named executive officer's individual performance and overall duties and responsibilities.

Benchmarking by job responsibilities and position has been a significant factor in the Trust's compensation program for the other named executive officers in prior years, but it was not a direct factor in the determining 2013 Target Compensation. The compensation of the other named executive officers was last benchmarked in 2012. The other named executive officers are responsible for key operating divisions of the Trust.

The Committee also utilized internal pay equity as an additional data point, but the Committee does not target specific internal pay equity metrics.

2013 Compensation Determinations

Base Salary

The base salaries of named executive officers are reviewed on an annual basis, as well as at the time of a promotion or other change in responsibilities. Annual merit increases are generally effective January of the applicable year. The Committee relies primarily on peer group analyses and general survey data in determining annual salary increases while also considering the Trust's overall performance, and the individual's experience, current performance and potential for advancement. The Committee determined to increase base salaries for 2013 for our named executive officers as follows: Messrs. Gershenson and Andrews each received a 4% increase, Messrs. Zantello and Sullivan each received a 3% increase, and Ms. Clark received a 5% increase.

The following table sets forth the base salaries approved for the named executive officers in 2012 and 2013, and the percentage by which such base salaries increased in 2012 over the respective 2011 Base Salary amounts.

Name	2012 Base Salary	2013 Base Salary	Percentage Increase
Dennis Gershenson	\$525,000	\$546,000	4.00%
Gregory R. Andrews	\$381,924	\$397,201	4.00%
Frederick A. Zantello	\$274,508	\$282,743	3.00%
Michael J. Sullivan	\$275,781	\$284,054	3.00%
Catherine Clark	\$266,879	\$280,223	5.00%

Annual Bonus—Dennis Gershenson and Gregory Andrews

Target Bonus. On January 3, 2013, the Committee approved the adoption of the 2013 Executive Incentive Plan for the Trust’s Chief Executive Officer and Chief Financial Officer. The primary performance objective for 2013 relate to funds from operations per share. In addition, the Committee also specifically tied payment of any bonuses under the 2013 Executive Incentive Plan to the achievement of a maximum specified debt-to-EBITDA ratio of 6.8X. The target bonus for the Chief Executive Officer and the Chief Financial Officer was 100% and 60% of base salary, respectively. For 2013, the base salary increases of 4% for each of Mr. Gershenson and Mr. Andrews resulted in the same increases in the cash value of their respective target annual bonuses. For these purposes, EBITDA means earnings before interest, income taxes, and depreciation and amortization of the Trust’s consolidated businesses, excluding gains, losses and impairment charges on real estate assets (except for gains on land sales in the ordinary course of business), and gains and losses on the extinguishment of debt. EBITDA should not be considered as an alternative to net income (computed in accordance with GAAP) or as an alternative to cash flow as a measure of liquidity.

Earned Bonus. Set forth below are the target annual bonuses in 2013 and the earned annual bonuses in 2012 and 2013 for Messrs. Gershenson and Andrews.

Name	Earned Annual Bonus 2012	Target Annual Bonus 2013	Earned Annual Bonus 2013
Dennis Gershenson	\$787,500	\$546,000	\$982,800
Gregory R. Andrews	\$343,732	\$238,321	\$428,977

Messrs. Gershenson and Andrews each earned 180% of their target annual bonus in 2013.

The following table sets forth the target funds from operations per share financial performance measures, together with actual results, regarding the 2013 annual bonus plan for Messrs. Gershenson and Andrews. In 2013, the Trust achieved a debt-to-EBITDA ratio of 6.3X, which satisfies the payment condition established by the Committee.

Financial Performance Measure	Target Performance			Actual Performance	Percentage of Bonus Earned
	Threshold (50% Payout)	Target (100% Payout)	Maximum (200% Payout)		
Operating FFO per Share ⁽¹⁾	\$1.04	\$1.09	\$1.19	\$1.17	180%

⁽¹⁾ NAREIT defines Funds From Operations (FFO) as net income (loss) available to common shareholders, excluding extraordinary items as defined under accounting principles generally accepted in the United States of America (GAAP), gains (losses) on sales of depreciable property and impairment provisions on depreciable property and equity investments in depreciable property, plus real estate related depreciation and amortization (excluding amortization of financing costs), and adjustments for unconsolidated partnerships and joint ventures. FFO should not be considered as an alternative to GAAP net income available to common shareholders or as an alternative to cash flow as measures of liquidity. FFO is used as an additional indicator of our operating performance. Actual FFO per share for 2013 was \$1.16 per share without adjustment. For purposes of the performance measure, the Committee made an upward adjustment to actual FFO per share of \$0.01 per share to reflect Operating FFO. Operating FFO excludes gains or losses on extinguishment of debt and provisions for impairment for land available for sale.

Annual Bonus—Other Named Executive Officers

Target Bonus. The target bonus for the other named executive officers is discretionary and is calculated based on a percentage of such person's base salary. The Committee generally believes that target annual bonuses of 36% of base salary are appropriate for the other named executive officers. For 2013, the base salary increase of 3% for each of Messrs. Zantello and Sullivan and 5% for Ms. Clark resulted in the same increases in the cash value of their respective target annual bonuses.

The annual cash bonus payouts are based upon the Committee's subjective review of a variety of corporate, department and individual factors, along with the Committee's view of the market and of the Trust's need to retain its key executives.

Earned Bonus. Set forth below are the target annual bonuses in 2013 and the earned annual bonuses in 2012 and 2013 for the other named executive officers.

Name	Earned Annual Bonus 2012	Target Annual Bonus 2013	Earned Annual Bonus 2013
Frederick A. Zantello	\$136,000	\$113,097	\$156,000
Michael J. Sullivan	\$150,000	\$113,622	\$157,000
Catherine Clark	\$150,000	\$112,089	\$157,000

Mr. Zantello, Mr. Sullivan, and Ms. Clark earned 138%, 138% and 140%, respectively, of their respective target annual bonuses in 2013. Ms. Clark's bonus reflected the success achieved by the Trust in pursuing and executing acquisitions and dispositions, in particular, the acquisition of approximately \$567 million of high quality shopping centers. Mr. Sullivan's bonus reflected the relative performance of the asset management department and the Trust's strong leasing performance in 2013. Finally, Mr. Zantello's bonus reflected his efforts in undertaking complex zoning approvals, supervising various anchor leasing negotiations and taking responsibility for complex redevelopment and development projects.

Long-Term Incentive Compensation

In 2013 the Committee approved the Trust's long-term incentive compensation program, setting long-term incentive targets of 75% to 135% of base salary for the named executive officers, which are generally consistent with historical long-term incentive targets. The long-term incentive program consists of grants of service-based restricted stock and performance-based restricted share units which are settled in cash upon the achievement of specified three-year performance criteria and the satisfaction of certain service-based vesting conditions. In 2013, the Committee determined that service-based restricted stock grants and performance-based restricted share unit grants each would correspond to 50% of the long-term incentive dollar target. The service-based restricted stock vests in five equal installments on the anniversaries of the date of grant.

The performance-based restricted share units are earned based on the achievement of specific performance measures over a period of three calendar years (with such measures established by the Committee at the beginning of the three-year period). Upon satisfaction of the specified performance measures, 50% of the performance-based restricted share units become immediately vested and are settled in cash (the "initial settlement date"). The remaining 50% of the performance-based restricted share units will vest upon the first anniversary of the initial settlement date (subject to continued employment) and will be settled in cash shortly thereafter.

The sole performance measure for the performance-based restricted share units is relative total shareholder return over a three-year period. The twelve peer companies are publicly traded shopping center REITs, which were selected based on the Committee's view that such REITs were the Trust's primary competitors for shareholder investment: Kimco Realty Corporation, DDR Corp., Weingarten Realty Investors, Regency Centers Corporation, Federal Realty Investment Trust, Equity One, Inc., Cedar Realty Trust, Inc., Acadia Realty Trust, Inland Real Estate Corporation, Kite Realty Group Trust, Saul Centers, Inc., and Urstadt Biddle Properties. The achievement of 33rd percentile, 50th percentile, 75th percentile and 90th percentile and above corresponds to payouts of 50%, 100%, 150% and 200%, respectively, of the target incentive. There is a linear increase in payout between the performance levels.

The LTIP grants for the 2013 compensation program were as follows:

Name	LTIP Award (\$)	Target Restricted Share Units (Performance-Based) (#)	Restricted Stock (Service-Based) (#)
Dennis Gershenson	737,100	23,489	23,489
Gregory R. Andrews	357,480	11,392	11,392
Frederick A. Zantello	212,058	6,758	6,758
Michael J. Sullivan	213,040	6,789	6,789
Catherine Clark	210,168	6,697	6,697

Discretionary Equity Grants. Mr. Zantello received an additional 3,000 shares of service-based restricted stock due to his strong performance and the Trust's belief that Mr. Zantello's performance continued to exceed his annual base compensation level.

Equity Compensation—Other Policies

Stock Ownership Guidelines. Effective September 2008, the Committee approved stock ownership guidelines for the executive officers. On February 25, 2013, the Committee subsequently revised the stock ownership guidelines for Mr. Gershenson to increase the number of Shares that he must own. The current guidelines require our executive officers to hold directly a number of Shares (including unvested restricted Shares) having a market value equal to a multiple of their then current base salary; Mr. Gershenson's multiple is six and all other executive officers' multiple is three. The Committee reviews the minimum equity holding level and other market trends and practices on a periodic basis. The Committee has confirmed that all executive officers currently satisfy the guidelines.

Timing and Pricing of Share-Based Grants. The Trust does not coordinate the timing of share-based grants with the release of material non-public information. Annual option or restricted stock grants for executive officers and other employees are generally made at the first Committee meeting each year with a grant date as of such approval or shortly thereafter. Further, restricted stock awards that are subject to performance measures are generally granted at the first Committee meeting of the year following satisfaction of such performance measures. The Committee generally establishes dates for regularly scheduled meetings at least a year in advance.

In accordance with the Trust's compensation plans, the exercise price of each option is the closing price of the shares (as reported by the NYSE) on the grant date (which date is not earlier than the date the Committee approved such grant). The Committee is prohibited from repricing options, both directly (by lowering the exercise price) and indirectly (by canceling an outstanding option and granting a replacement option with a lower exercise price), without shareholder approval, except in limited circumstances such as a stock split, stock dividend, special dividend or distribution or similar transactions.

Trading Limitations. In addition to the restrictions set forth in SEC regulations, the Trust has an insider trading policy, which among other things, prohibits Trustees, executive officers and other employees from engaging in short sales, trading in options or participating in any other speculative investments relating to the Trust's stock.

Perquisites and Other Personal Benefits

The Trust historically provides named executive officers with perquisites and other personal benefits that the Committee believes are reasonable and consistent with its overall compensation program to enable the Trust to attract and retain employees for key positions. See "Named Executive Officer Tables—Summary Compensation Table" and the footnotes thereto for a description of certain perquisites provided to the named executive officers in 2013.

Deferred Stock

The Committee believes nonqualified deferred compensation arrangements are a useful tool to assist in tax planning and ensure retirement income for its named executive officers. Existing deferred compensation arrangements do not provide for above-market or preferential earnings as defined under SEC regulations.

Under the Ramco-Gershenson Properties Trust Deferred Compensation Plan for Officers, an officer can elect to defer restricted shares which may be granted during a subsequent calendar year. No executive officers elected to defer his or her restricted share grants in 2013.

Mr. Zantello was party to a deferral agreement with the Trust whereby he irrevocably committed to defer the gain on the exercise of specified options. See “Named Executive Officer Compensation Tables — Nonqualified Deferred Compensation in 2013” for additional information.

Contingent Compensation

The Trust has a Change of Control Policy applicable to the Chief Executive Officer, Chief Financial Officer, executive vice president or any senior vice president, which includes all executive officers. The policy provides for payments of specified amounts if such person’s employment with the Trust or any subsidiary is terminated in specified circumstances following a change of control, but does not include a tax gross-up. The policy was amended in May 2013 to revise the amounts payable thereunder, which now equals the product of (x) for the Chief Executive Officer, 2.99, and for the Chief Financial Officer, an executive vice president or a senior vice president, 2.0, and (y) the sum of the person's base compensation plus his or her target bonus for the year in which the termination occurs.

The Trust believes this policy would be instrumental in the success of the Trust in the event of any future hostile takeover bid and would ensure the continued dedication of employees, notwithstanding the possibility, threat or occurrence of a change of control. Further, it is imperative to diminish the inevitable distraction of such employees by virtue of the personal uncertainties and risks created by a pending or threatened change of control, and to provide such employees with compensation and benefits upon a change of control that ensure that such employees’ compensation and benefits expectations are satisfied. Finally, many competitors have change of control arrangements with named executive officers and such policy ensures the Trust will be competitive in its compensation program. See “Named Executive Officer Compensation Tables—Potential Payments Upon Termination or Change-in-Control” for further information.

The Trust has employment agreements with Messrs. Gershenson and Andrews which provide for specified severance benefits, including termination upon a change of control. Mr. Gershenson’s agreement includes a full tax gross-up regarding change of control payments, which reinforces the purpose of the change of control benefit. Neither executive is entitled to a duplication of benefits under their respective employment agreements or the Trusts’ Change of Control Policy.

Policy Regarding Retroactive Adjustment

Section 304 of the Sarbanes-Oxley Act of 2002 requires a company to claw back certain incentive-based compensation and stock profits of the Chief Executive Officer and Chief Financial Officer if the company is required to prepare an accounting restatement due to the material noncompliance of the company, as a result of misconduct, with any financial reporting requirement under the securities laws. The Committee does not otherwise have a formal policy regarding whether the Committee will make retroactive adjustments to, or attempt to recover, cash or share-based incentive compensation granted or paid to senior management in which the payment was predicated upon the achievement of certain financial results that are subsequently the subject of a restatement. The Committee intends to adopt an appropriate recoupment policy following the approval of applicable regulations required by the Dodd-Frank Act.

Prohibition on Hedging and Pledging

On February 25, 2013, the Trust adopted an anti-hedging policy that prohibits its trustees, officers and employees from (i) trading in Trust securities on a short-term basis, (ii) short sales, and (iii) buying or selling puts and calls. At that same time, the Trust also adopted an anti-pledging policy that would prospectively (1) prohibit trustees and officers from pledging Trust securities as collateral to secure debt or engaging in transactions where the Trust’s securities are held in a margin account, and (2) strongly encourage all other Trust employees to avoid such transactions. Any pledges in effect on the date the anti-pledging policy was adopted are exempt from the policy.

Tax and Accounting Considerations

Deductibility of Executive Compensation

The Committee has reviewed the Trust’s compensation policies in light of Section 162(m) of the IRC, which generally limits deductions by a publicly-held corporation for compensation paid to certain executive officers to \$1,000,000 per annum, subject to specified exceptions (the most significant of which is performance-based compensation). While much of the compensation paid to the Trust’s executive officers is performance-based compensation that is not subject to Section 162(m), as long as the Trust continues to qualify as a real estate investment trust under the IRC, the payment of any non-deductible compensation should not have a material adverse impact on the Trust. The Committee intends to continue to review the application of Section 162(m) with respect to any future compensation arrangements considered by the Trust.

Nonqualified Deferred Compensation

Section 409A of the IRC provides that amounts deferred under nonqualified deferred compensation arrangements will be included in an employee's income when vested provided certain conditions are met. If the certain conditions are not satisfied, amounts subject to such arrangements will be immediately taxable and employees will be subject to additional income tax, penalties and a further additional income tax calculated as interest on income taxes deferred under the arrangement. In December 2008, the Trust revised certain of its compensation agreements to ensure that the Trust's employment, severance and deferred compensation arrangements either comply with, or are exempt from, the requirements of Section 409A to allow for deferral without accelerated taxation, penalties or interest.

Change of Control Payments

Section 280G of the IRC disallows a company's tax deduction for "excess parachute payments," generally defined as payments to specified persons that are contingent upon a change of control in an amount equal to or greater than three times the person's base amount (the five-year average of Form W-2 compensation). Additionally, IRC Section 4999 imposes a 20% excise tax on any person who receives such excess parachute payments.

The Trust's share-based plans entitle participants to payments in connection with a change of control that may result in excess parachute payments. Further, Messrs. Gershenson's and Andrews' employment agreements, along with the Change of Control Policy for the benefit of executive officers, entitle such persons to payments upon termination of their employment following a change of control that may qualify as excess parachute payments. As noted earlier, Mr. Gershenson's employment agreement provides for a full tax-gross up on benefits that exceed limits set forth in Section 280G of the IRC.

COMPENSATION COMMITTEE REPORT

The Compensation Committee of the Board has reviewed and discussed the Compensation Discussion and Analysis (CD&A) in this proxy statement with management, including the Chief Executive Officer. Based on such review and discussion, the Compensation Committee recommended to the Board that the CD&A be included in the Trust's annual report on Form 10-K for the year ended December 31, 2013 and the proxy statement for the 2014 annual meeting of shareholders.

- (1) The amounts reported reflect the grant date fair value (excluding the effect of estimated forfeitures). All awards in the Stock Awards column for 2013 and 2012 relate to service-based restricted stock and performance-based restricted share units granted in 2012 under the 2012 Omnibus Long-Term Incentive Plan. The grant date fair value of each share of service-based restricted stock is calculated as the closing price of the Shares as of the grant date. The grant date fair value of each performance-based restricted stock share unit is calculated using a Monte Carlo simulation as of the grant date.

The grant date fair value of the performance-based restricted share units reflects the probable outcome of the award. The relative total shareholder feature of the award represents a “market condition” under applicable accounting requirements. As such, the grant date fair value of the award must reflect the probabilities of all possible outcomes of the market condition as they existed at that date. To that end, the Trust employed a valuation method that statistically simulated an expected total shareholder return performance relative to the comparator group and determined the corresponding grant date value that would result. For the purposes of this table, the single grant date fair value computed by this valuation method is recognized by the Trust in accounting for the awards regardless of the actual future outcome of the relative total shareholder return feature. Therefore, there is no separate maximum grant date value reported with respect to the performance-based restricted share units.

- (2) The amounts earned in 2013, consisting of payments under the 2013 Executive Incentive Plan, were approved by the Committee on February 24, 2014. Payment of such bonus occurred on March 14, 2014.
- (3) For 2013, for each of the named executives received \$1,500 in 401(K) plan company match. Additionally, the following named executive officers received the following payments and/or benefits
- a. Dennis Gershenson - Payment of life insurance premium; and
 - b. Frederick Zantello - Housing allowance and mileage reimbursement;

Employment Agreement — Mr. Gershenson and Mr. Andrews. See “Potential Payments Upon Termination or Change-in-Control” for a description of the material terms of such employment agreements.

Bonus. For 2013, each of the named executive officers received an annual bonus, which was paid in cash.

Long-Term Incentive Program. In 2010, the Committee re-implemented the Trust’s long-term incentive compensation program, with approved long-term incentive targets of 75% to 120% of base salary for the named executive officers, which generally is consistent with the historical long-term incentive program. In 2013 the Committee determine to increase the long-term incentive targets for Mr. Gershenson to 135% of his base salary. The long-term incentive program consists of service-based restricted stock and performance-based restricted share units. In each of the years described above, the Committee determined that service-based restricted stock grants and performance-based restricted share units each would correspond to 50% of the long-term incentive dollar target. The award of performance-based restricted share units is earned based on the achievement of specific

performance measures over a period of three calendar years (with such measures established by the Committee at the beginning of the three-year period), and subject to the satisfaction of specified vesting conditions. The sole performance measure for the performance-based restricted share unit awards is relative total shareholder return over a three-year period. In 2011, the achievement of 50th percentile, 75th percentile and 90th percentile and above corresponds to payouts of 100%, 150% and 200%, respectively, of the target incentive. In 2012, the achievement of 33rd percentile, 50th percentile, 75th percentile and 90th percentile and above corresponds to payouts of 50%, 100%, 150% and 200%, respectively, of the target incentive. In 2013, the achievement of 33rd percentile, 50th percentile, 75th percentile and 90th percentile and above corresponds to payouts of 50%, 100%, 150% and 200%, respectively, of the target incentive. In each of the three years, there is a linear increase in payout between the performance levels.

2013 Discretionary Grant of Restricted Stock. In addition to the annual grant under the LTIP, Mr. Zantello also received an additional 3,000 shares of service-based restricted stock.

Non-Equity Incentive Plan. The 2013 Executive Incentive Plan for the Trust's Chief Executive Officer and Chief Financial Officer is based on the achievement of a primary corporate objective (funds from operations per share) and the satisfaction of a payment condition (debt-to-EBITDA ratio). The target bonus for the Chief Executive Officer and the Chief Financial Officer is 100% and 60% of base salary, respectively, with a threshold payout (50% of target incentive), target payout (100% of target incentive) or maximum payout (200% of target incentive). There is a linear increase in payout between the threshold, target and maximum payout levels.

Narrative Discussion of Grants of Plan-Based Awards in 2013 Table

Annual Bonus Program. The 2013 Executive Incentive Plan for the Trust's Chief Executive Officer and Chief Financial Officer is based on the achievement of a primary corporate objective (funds from operations per share) and the satisfaction of a payment condition (debt-to-EBITDA ratio). The target bonus for the Chief Executive Officer and the Chief Financial Officer is 100% and 60% of base salary, respectively, with a threshold payout (50% of target incentive), target payout (100% of target incentive) or maximum payout (200% of target incentive). There is a linear increase in payout between the threshold, target and maximum payout levels. The amounts earned in 2013 are reported in the "Non-Equity Incentive Plan Compensation" column of the "Summary Compensation Table."

Long-Term Incentive Plan. The Trust's long-term incentive compensation program provides for target payouts of 75% to 135% of base salary for the named executive officers. In 2013, the Committee determined that service-based restricted stock grants and performance-based restricted share unit grants each would correspond to 50% of the long-term incentive dollar target.

Each service-based restricted share represents the right to receive upon vesting one Share. The service-based restricted shares vest in equal installments on the first through fifth anniversaries of the grant date.

The performance-based restricted share units are earned based on the achievement of specific performance measures over a period of three calendar years (with such measures established by the Committee at the beginning of the three-year period), and subject to the satisfaction of specified vesting conditions. For 2013 awards, the sole performance measure is relative total shareholder return over a three-year period compared to a twelve-company peer group. The achievement of 33rd percentile, 50th percentile, 75th percentile and 90th percentile and above corresponds to payouts of 50%, 100%, 150% and 200%, respectively, of the target incentive. There is a linear increase in payout between the performance levels.

Mr. Zantello — Discretionary Equity Grant. The shares of service-based restricted stock granted on March 1, 2013, fully vests on the first anniversary of the date of grant.

Nonqualified Deferred Compensation in 2013

Ramco-Gershenson Properties Trust Deferred Compensation Plan

Under the Ramco-Gershenson Properties Trust Deferred Compensation Plan for Officers (the "Officer Deferred Compensation Plan"), an officer can elect to defer restricted shares which may be granted during a subsequent calendar year ("Deferral Year") by completing and filing a proper deferred compensation agreement with the Secretary of the Trust no later than December 31 of the year prior to the Deferral Year. Restricted shares deferred will be credited to a stock account in the name of the applicable officer. Shares in the stock account will receive distributions, which at the officer's election will either be paid in cash or will be reinvested in shares. An officer can modify or revoke his or her existing deferral election only on a prospective basis, and only for restricted shares to be granted in a subsequent calendar year, and only if the officer executes a new deferred compensation agreement or revokes his or her existing deferred compensation agreement in writing by December 31 of the year preceding the calendar year for which such modification or revocation is to be effective. The officer must elect the end of the deferral period at the time of such election and, except for a few circumstances, no officer shall have any right to make any early withdrawals from the officer's deferred compensation accounts. No executive officers elected to defer their restricted share grants in 2013.

Mr. Zantello entered into a deferral agreement with the Trust whereby he irrevocably committed to defer the gain on the exercise of specified options until the earlier of a period of five years, a termination for cause, or upon a change of control (if followed by termination of employment within six months of such change of control). The Trust may accelerate the payout of the deferred award in the event of specified circumstances. He is fully vested in such deferral account. Until the deferred shares are issued, he receives distributions in cash when, and in the amount of, cash dividends paid on the Shares. He does not have rights as a shareholder with respect to the deferral account. As permitted by the original deferral agreement, Mr. Zantello elected to

extend the deferral period two times, in each case for a period of at least 24 months, subject to specified requirements. The final deferral period expired in December 2013 and pursuant to the terms of his deferral agreement, Mr. Zantello received a full distribution of his account balance at the end of calendar year 2013.

The table below provides information on the nonqualified deferred compensation of the named executive officers in 2013.

Name	Plan	Aggregate Earnings in Last FY (\$)(1)	Aggregate Withdrawals/ Distributions (\$)(1)	Aggregate Balance at Last FYE (\$)
Frederick A. Zantello	Option deferral	17,589	91,160	—

(1) The deferred shares are represented by deferred shares in the deferral accounts. Distributions are paid in cash when, and in the amount of, cash dividends paid on the Shares. None of the earnings set forth in the table are above-market or preferential, and therefore none of such amounts are reflected in the Summary Compensation Table. Mr. Zantello has no deferred shares as of December 31, 2013.

The following table sets forth the components of aggregate earnings:

Name	Cash Distributions	Gain Due to Increase in Share Price
Frederick A. Zantello	\$3,984	\$13,605

Potential Payments Upon Termination or Change-in-Control

The following section describes potential payments and benefits to the named executive officers under the Trust's compensation and benefit plans and arrangements upon termination of employment or a change of control of the Trust.

Messrs. Gershenson and Andrews are the only named executive officers with employment agreements with the Trust. The Trust also has a Change of Control Policy in effect for the named executive officers. Further, certain of the Trust's benefit plans and arrangements contain provisions regarding acceleration of vesting and payment upon specified termination events; see "—Trust Share-Based Plans" below. In addition, the Trust may authorize discretionary severance payments to its named executive officers upon termination.

Trust Share-Based Plans

2003 Long-Term Incentive Plan. Upon a change in control, any nonqualified options and restricted stock outstanding as of the change of control will immediately vest in full; notwithstanding the foregoing, (i) the Compensation Committee may set forth alternative change of control terms at the time of the grant and (ii) a vote by three-fourths of the Board may determine alternative terms at any time, so long as a majority of Trustees then in office are "continuing trustees" as defined therein. Further, during the 60-day period from and after a change of control, the Compensation Committee may grant holders of options the right to surrender all or part of such options to the Trust, whether or not the options are fully exercisable, in exchange for cash per share equal to the fair market value less the exercise price.

Other than in connection with a change of control, if an employee is terminated for any reason, any restricted stock will be forfeited; however, the Compensation Committee is authorized to waive such forfeiture in the event of retirement, permanent disability, death or other special circumstances as determined by the Compensation Committee in its sole discretion.

Other than in connection with a change of control, if an employee is terminated for cause, such employee's options, even if immediately exercisable, will terminate (although the Committee retains discretion to permit the exercise of such options until the earlier of 30 days and the option's expiration date). If an employee is terminated for any reason other than a change of control, death or disability or for cause, then such employee's options may be exercised, to the extent such options were exercisable before termination, for the lesser of six months (or longer, at the discretion of the Compensation Committee) or until the option's expiration date. Options held by an employee whose employment is terminated due to death or disability will immediately vest in full, and the legal representative or beneficiary may exercise such options until the lesser of one year (or longer, at the discretion of the Compensation Committee) or the option's expiration date.

2009 Omnibus Long-Term Incentive Plan. The Committee generally has the authority to accelerate the vesting of any awards at any time.

Upon a termination for cause, the options will be forfeited. Unless the Compensation Committee provides otherwise, upon a termination other than due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control,

all unvested options will be forfeited and all vested options will terminate the earlier of three months after the termination date or the option expiration date. Unless the Compensation Committee provides otherwise, upon a termination due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control, the options will fully vest and expire upon their normal expiration date.

Unless the Compensation Committee provides otherwise, upon a termination other than due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control, all unvested shares of restricted stock will be forfeited. Unless the Compensation Committee provides otherwise, upon a termination due to death, disability, retirement, a lay-off in connection with a reduction in force or change in control, the shares of restricted stock will vest or expire upon their normal terms. Generally, the Trust's award agreements provide that all shares of restricted stock will be forfeited upon any termination, except the Committee may waive such forfeiture (unless not permitted by the plan), in its sole discretion.

The 2009 Omnibus Long-Term Incentive Plan also provides for additional benefits in the case of a corporate transaction, which is essentially a change in control that results in (i) dissolution or liquidation of the Trust or a merger, consolidation, or reorganization of the Trust with one or more other entities in which the Trust is not the surviving entity, (ii) a sale of substantially all of the assets of the Trust to another person or entity that is not related to the Trust, or (iii) any transaction which results in any person or entity owning more than 50% of the combined voting power of all classes of shares of the Trust. If a change in control rises to the level of a corporate transaction, all options and shares of restricted stock vest (at target levels) and either (i) fifteen days prior to the scheduled consummation of the corporate transaction, all options outstanding immediately become exercisable for a period of 15 days, or (ii) the Committee may elect, in its sole discretion, to cancel any outstanding awards of options or shares of restricted stock and pay or deliver the holder an amount in cash or securities having a specified value determined by the Committee in accordance with the plan.

2012 Omnibus Long-Term Incentive Plan. The Committee generally has the authority to accelerate the vesting of any awards at any time.

Upon a termination for cause, the options will be forfeited. Unless the Compensation Committee provides otherwise, upon a termination other than due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control, all unvested options will be forfeited and all vested options will terminate the earlier of three months after the termination date or the option expiration date. Unless the Compensation Committee provides otherwise, upon a termination due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control, the options will fully vest and expire upon their normal expiration date.

Unless the Compensation Committee provides otherwise, upon a termination other than due to death, disability, retirement, lay-off in connection with a reduction in force or a change in control, all unvested shares of restricted stock will be forfeited. Unless the Compensation Committee provides otherwise, upon a termination due to death, disability, retirement, a lay-off in connection with a reduction in force or change in control, the shares of restricted stock will vest or expire upon their normal terms. Generally, the Trust's award agreements provide that all shares of restricted stock will be forfeited upon any termination, except the Committee may waive such forfeiture (unless not permitted by the plan), in its sole discretion.

The 2012 Omnibus Long-Term Incentive Plan also provides for additional benefits in the case of a corporate transaction, which is essentially a change in control that results in (i) dissolution or liquidation of the Trust or a merger, consolidation, or reorganization of the Trust with one or more other entities in which the Trust is not the surviving entity, (ii) a sale of substantially all of the assets of the Trust to another person or entity that is not related to the Trust, or (iii) any transaction which results in any person or entity owning more than 50% of the combined voting power of all classes of shares of the Trust. If a change in control rises to the level of a corporate transaction, all options and shares of restricted stock vest (at target levels) and either (i) fifteen days prior to the scheduled consummation of the corporate transaction, all options outstanding immediately become exercisable for a period of 15 days, or (ii) the Committee may elect, in its sole discretion, to cancel any outstanding awards of options or shares of restricted stock and pay or deliver the holder an amount in cash or securities having a specified value determined by the Committee in accordance with the plan.

Deferred Stock. Mr. Zantello entered into a deferral agreement with the Trust whereby he irrevocably committed to defer the gain on the exercise of specified options until the earlier of a period of five years, a termination for cause, or upon a change of control (if followed by termination of employment within six months of such change of control). See "Nonqualified Deferred Compensation in 2013."

Dennis Gershenson's Employment Agreement

Effective August 1, 2007, the Trust entered into a new employment agreement with Mr. Gershenson, the Trust's President and Chief Executive Officer. The initial term of the agreement is five years, with unlimited one-year automatic extensions unless either party gives written notice of non-extension at least 120 days prior to the expiration of the term. The employment agreement provides for an annual base salary of at least \$447,750 (with adjustments to be considered annually by the Committee), a discretionary annual bonus (due to Mr. Gershenson's mid-2009 waiver of his minimum bonus of \$350,000 set forth in the agreement) as well as other fringe benefits and perquisites as are generally made available to the Trust's executives (including \$1 million of term life insurance paid by the Trust). The Trust began paying the premiums on the life insurance in 2008. Mr. Gershenson will also participate in share-based programs established for the benefit of employees.

If Mr. Gershenson's employment is terminated due to death or permanent disability, Mr. Gershenson (or his legal representative or beneficiary) will receive a lump sum equal to 12 months base salary and bonus (paid within 60 days of such termination). In the event of a permanent disability, he will also be entitled to receive the fringe benefits specified in the employment agreement, including coverage under all insurance programs and plans, for 12 months following such termination, subject to specified limitations.

If Mr. Gershenson's employment is terminated for cause or he terminates such employment without good reason, Mr. Gershenson will receive the accrued and unpaid portion of his base salary, bonus and benefits through the date of termination (paid within 30 days of such termination).

If Mr. Gershenson's employment is terminated without cause (other than due to death or permanent disability) or he terminates such employment for good reason, including a change of control, Mr. Gershenson will receive: (i) accrued base salary through the termination date; (ii) a lump sum severance payment (no later than the 30th day following the date that is six months following the date of termination) equal to the greater of (x) the aggregate of all compensation due to Mr. Gershenson for the remainder of the term of his employment agreement (assuming an annual bonus equal to the average bonus under the employment agreement prior to termination), or (y) 2.99 times the "base amount", as defined by Section 280G of the IRC (or a similar amount if Section 280G is repealed or is otherwise inapplicable); (iii) an amount equal to Mr. Gershenson's tax liability for an excess "parachute payment" within the meaning of Section 280G of the IRC, and an amount equal to Mr. Gershenson's income taxes payable for such tax liability payment by the Trust (such payment to be made no later than the end of his taxable year following the taxable year in which such taxes are remitted); and (iv) fringe benefits and perquisites as are generally made available to the Trust's executives for the duration of the term of the employment agreement (but not less than 12 months), including under all insurance programs and plans, subject to specified limitations.

As used in Mr. Gershenson's employment agreement, "Cause" means either (A) a material breach by Mr. Gershenson of any material provisions of his employment agreement or a noncompetition agreement with the Trust following expiration of a 30-day notice and cure period, if curable, or any ongoing breach following such initial notice and cure, (B) action by Mr. Gershenson constituting willful malfeasance or gross negligence, having a material adverse effect on the Trust; (C) an act of fraud, misappropriation of funds or embezzlement by Mr. Gershenson in connection with his employment; or (D) Mr. Gershenson is convicted of, pleads guilty to or confesses to any felony.

As used in Mr. Gershenson's employment agreement, "Good Reason" means the occurrence of any of the following, without Mr. Gershenson's prior written consent: (A) any substantial diminution of his duties, responsibilities or authority, (B) a material breach by the Trust of any of its material obligations under his employment agreement, (C) a relocation of the Trust's principal executive offices or of Mr. Gershenson's principal place of employment to a location more than 25 miles from Southfield, Michigan; or (D) a "change in control" as defined in Mr. Gershenson's employment agreement, provided, in each case, Mr. Gershenson provides the Trust with written notice of the condition giving rise to Good Reason within 30 days of its occurrence and the Trust fails to correct such condition within 30 days of its receipt of notice.

None of the severance amounts will be mitigated by compensation earned by Mr. Gershenson as result of other employment or retirement benefits after the termination date.

In accordance with such employment agreement, Mr. Gershenson has also entered into a noncompetition agreement with the Trust. The noncompetition agreement provides that, following termination of Mr. Gershenson's employment, Mr. Gershenson, subject to specified limitations: (i) will not hire any person that is, or was within the prior 12 months, a Trust employee making at least \$60,000 per year in base salary, and he will not solicit such person to leave the employ of the Trust; (ii) will not, directly or indirectly, acquire, develop, construct, operate, manage or lease any existing Trust property or project; (iii) will not compete with the Trust within a 200 mile radius of any Trust property or project that existed within the prior 12 months; and (iv) will maintain the confidential and/or proprietary information of the Trust. The provisions in clauses (i) — (iii) will terminate one year after Mr. Gershenson is no longer an officer or Trustee of the Trust.

Gregory Andrews' Employment Agreement

Effective February 16, 2010, the Trust entered into an employment agreement with Mr. Andrews, the Trust's Chief Financial Officer and Secretary. The initial term ends December 31, 2013, with unlimited one-year automatic extensions unless the Trust gives written notice of non-extension at least 90 days prior to the expiration of the term. The employment agreement provides for an annual base salary of at least \$360,000 (with adjustments to be considered annually by the Committee, and no decrease from the prior base salary or initial base salary unless applicable to the Trust's executive officers generally), participation in the annual bonus plan, participation in long-term incentive plan, a grant of 20,000 restricted shares and 75,000 options (each of which vests over three years), various relocation costs, and other fringe benefits and perquisites as are generally made available to the Trust's executives.

If Mr. Andrews' employment is terminated due to death or permanent disability, Mr. Andrews (or his legal representative or beneficiary) will receive the accrued and unpaid portion of base salary, a pro rata portion of the annual bonus (to the extent earned, and calculated based on the average award for the prior two years), plus one year's base salary. In addition, any unvested equity awards will immediately vest. Further, any COBRA health benefits will be reimbursed for up to six months.

If Mr. Andrews' employment is terminated for cause, Mr. Andrews will receive the accrued and unpaid portion of his base salary.

If Mr. Andrews' employment is terminated without cause or if he terminates such employment for good reason (assuming the change of control provisions below do not apply), Mr. Andrews will receive the accrued and unpaid portion of base salary, a pro rata portion of the annual bonus (to the extent earned, and calculated based on the average award for the prior two years), plus 18 months base salary and annual bonus (calculated based on the average award for the prior two years). In addition, any unvested equity awards will immediately vest. Further, any COBRA health benefits will be reimbursed for up to six months.

If Mr. Andrews' employment is terminated without cause (other than due to death or permanent disability) or he terminates such employment for good reason, in each case within 12 months after a change of control, Mr. Andrews will receive the accrued and unpaid portion of base salary and two times the "base amount", as defined by Section 280G of the IRC. In addition, any unvested equity awards will immediately vest. Further, any COBRA health benefits will be reimbursed for up to six months.

As used in Mr. Andrews' employment agreement, "Cause" means termination Mr. Andrews' employment upon (i) his conviction of a felony or crime involving moral turpitude; (ii) embezzlement, (iii) misappropriation of Trust property, (iv) his neglect of significant job responsibilities, (v) a material breach of his employment agreement, or (vi) his repeated failure to follow specific directions from the Trust's CEO or Board, and in the case of items (i) through (v), which is not cured within 30 days of notice.

As used in Mr. Andrews' employment agreement, "Good Reason" means the occurrence of any of the following, without Mr. Andrews' prior written consent: (A) any substantial diminution of his duties, responsibilities or authority, or those of a supervisor, (B) a material diminution in the budget over which he retains authority, (C) a material change in the geographic location at which he must perform the services related to his position, (D) or any other action that constitutes a material breach by the Trust under any agreement under which he provides services to the Trust, provided, in each case, Mr. Andrews provides the Trust with written notice of the condition giving rise to Good Reason within 90 days of its occurrence, the Trust fails to correct such condition within 30 days of its receipt of notice, and Mr. Andrews actually terminates his employment within 12 months following the occurrence of such condition.

None of the severance amounts will be mitigated by compensation earned by Mr. Andrews as result of other employment or retirement benefits after the termination date.

The employment agreement also provides for confidentiality and nonsolicitation provisions, the latter for one year after termination of employment.

Change of Control Policy

Effective July 10, 2007, the Trust established a Change of Control Policy for the benefit of the executive officers of the Trust. The policy provides for payments of specified amounts if such person's employment with the Trust or any subsidiary is terminated in specified circumstances following a change of control. The policy contains a double trigger. First, the person's employment must be terminated (a) by the Trust other than for cause or upon such person's death or permanent disability or (b) by the person for good reason. Secondly, such termination must occur within one year following a change of control; provided, however, if a person's employment or status as an officer with the Trust or any subsidiary is terminated within six months prior to the date on which a change of control occurs and such termination was not for cause or voluntary by such person, then the change of control date will be the date immediately prior to the date of such termination. As amended in March 2010, the definition

of a change of control no longer includes the election or appointment to the Board of any Trustee whose appointment or election to the Board or nomination for election by the Trust's shareholders was not approved by a vote of at least a majority of specified Trustees.

As amended in May 2013, if the double trigger is satisfied, the person will receive the following amounts no later than the 30th day following the termination date, the product of: (x) for the Chief Executive Officer, 2.99, and for the Chief Financial Officer, an executive vice president or a senior vice president, 2.0; and (y) the sum of the person's base compensation and target bonus for the year in which the termination occurs.

The policy does not contain a tax gross-up benefit (although Mr. Gershenson may be entitled to a tax gross-up payment as described above, see "—Dennis Gershenson's Employment Agreement"). Further, the amount received under the policy will be reduced to the extent a person receives other severance or separation payments from the Trust (excluding the vesting of any options, shares or rights under any incentive plan of the Trust)

Change of Control/Severance Payment Table as of December 31, 2013

The following table estimates the potential payments and benefits to the named executive officers upon termination of employment or a change of control, assuming such event occurs on December 31, 2013. These estimates do not reflect the actual amounts that would be paid to such persons, which would only be known at the time that they become eligible for payment and would only be payable if the specified event occurs.

Items Not Reflected in Table. The following items are not reflected in the table set forth below:

- Accrued salary, bonus (except to the extent specifically noted in an employment agreement) and vacation.
- Costs of COBRA or any other mandated governmental assistance program to former employees.
- Welfare benefits provided to all salaried employees having substantially the same value.
- Amounts outstanding under the Trust's 401(k) plan.
- Deferred Stock. The deferral period for the deferred stock arrangement of Mr. Zantello will terminate, among other things, due to a termination for cause or upon a change of control (if followed by termination of employment within six months of such change of control). The aggregate balance relating to the deferral arrangement is set forth in the "Nonqualified Deferred Compensation in 2013" table.

Change of Control Payments — IRC Section 280G valuation. IRC Section 280G imposes tax sanctions for payments made by the Trust that are contingent upon a change of control and equal to or greater than three times an executive's most recent five-year average annual taxable compensation (referred to as the "base amount"). If tax sanctions apply, contingent payments, to the extent they exceed an allocable portion of the base amount, become subject to a 20% excise tax (payable by the executive) and are ineligible for a tax deduction by the Trust. Key assumptions in this analysis include:

- A change of control, termination of employment and all related payments occur on December 31, 2013.
- Federal and state income tax rates of 35% and 3.9%, respectively, and a social security/Medicare rate of 1.45%.
- Performance-based restricted stock for performance periods that have not closed prior to the date of the change in control: the 2010-2012, the 2011-2013, and the 2012-2014 performance periods are reflected as paid out at the 100% amount.
- The value of unvested, non-qualified options equals their value as determined pursuant to the safe harbor method provided for in Revenue Procedure 2003-68.
- The value of Shares, on December 31, 2013 is \$15.74, the closing price on such date as published by the NYSE.

Other Notes Applicable to Table.

- The "Acceleration of Share-Based Awards" column in the table assumes the Compensation Committee's acceleration of long-term incentive compensation, including share-based awards, for terminations specifically referenced in the table. The amounts set forth therein represent the intrinsic value of such acceleration, which is (i) for each unvested option, \$15.74 less the exercise price, and (ii) for each unvested share of restricted stock, \$15.74, which represents the closing price on the NYSE on December 31, 2013.
- Life insurance amounts only reflect policies paid for by the Trust (including an additional \$1,000,000 of term life insurance paid by the Trust for Mr. Gershenson).

(1) \$27,000 represents the amount paid to a survivor if the employee had been disabled for 180 consecutive days and the employee was eligible to receive the long-term disability payments. \$108,000 represents the aggregate of 12 monthly payments of \$9,000 payable as a long-term disability benefit (such payments would continue for the length of the disability); if the disability was of a short-term nature, such person may be eligible for wage replacement for 13 weeks with a maximum weekly benefit of \$4,154.

(2) Except as noted in the table above or as specified in “— Items Not Reflected in Table”, Mr. Gershenson does not receive any additional incremental value if (i) he voluntarily terminates his employment, or (ii) his employment is terminated by the Trust with cause.

(3) Represents base salary as of December 31, 2013 and bonus earned for 2013. In the event of a permanent disability, Mr. Gershenson would also be entitled to 12 months of customary fringe benefits in accordance with his employment agreement, which is not reflected in this amount.

(4) Assumes payment equal to 2.99 times his 280G “base amount.” Mr. Gershenson would also be entitled to receive fringe benefits through the terms of his employment agreement (but no less than 12 months), which is not reflected in this amount.

(5) Except as noted in the table above or as specified in “— Items Not Reflected in Table”, Mr. Andrews does not receive any additional incremental value if (i) he voluntarily terminates his employment, or (ii) his employment is terminated by the Trust with cause.

(6) Represents base salary as of December 31, 2013 and bonus earned for 2013.

- (7) Represents an amount equal to 1.5 times the sum of Mr. Andrews' base salary as of December 31, 2013 and bonus earned for 2013.
- (8) Assumes payment equal to 2.0 times each named executive officer's 280G "base amount."
- (9) Except as noted in the table above or as specified in "— Items Not Reflected in Table", each of such persons do not receive any additional incremental value if (i) he or she voluntarily terminates his/her employment, or (ii) his or her employment is terminated by the Trust with or without cause.

RELATED PERSON TRANSACTIONS

Policies and Procedures

The Trust does not have a formal related person transaction policy in writing, although it has the following customary policies and practices regarding such transactions. Trustees and executive officers are required to complete an annual questionnaire in connection with the Trust's proxy statement for its annual meeting of shareholders, which includes questions regarding related person transactions. Trustees and executive officers are also required to provide written notice to the Trust's outside general counsel of any updates to such information.

If a related person transaction is proposed, the Audit Committee and/or non-interested Trustees of the Board review such business transaction to ensure that the Trust's involvement in such transactions is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party and is in the best interests of the Trust and its shareholders. When necessary or appropriate, the Trust will engage third party consultants and special counsel, and the Board may create a special committee, to review such transactions. Interested Trustees will recuse themselves from the approval process by the Board or Audit Committee.

Related Person Transactions in 2013

William Gershenson, Vice President of Leasing of Ramco-Gershenson, Inc., is the son of Dennis Gershenson, Trustee, President and Chief Executive Officer of the Trust. In 2013, William Gershenson was paid \$230,144 in base salary and bonus.

AUDIT COMMITTEE DISCLOSURE

The Audit Committee is responsible for monitoring the integrity of the Trust's consolidated financial statements, the Trust's system of internal controls, the Trust's risk management system, the qualifications, performance and independence of the Trust's independent registered public accounting firm, the performance of the Trust's internal audit function and the Trust's compliance with legal and regulatory requirements. The Audit Committee also has the sole authority and responsibility to appoint, determine the compensation of, evaluate and, when appropriate, replace the Trust's independent registered public accounting firm.

Management is responsible for the financial reporting process, including the system of internal controls, for the preparation of consolidated financial statements in accordance with generally accepted accounting principles and for the report on the Trust's internal control over financial reporting. The Trust's independent registered public accounting firm is responsible for performing an independent audit of the Trust's annual consolidated financial statements and expressing an opinion as to their conformity with generally accepted accounting principles and for attesting to management's report on the Trust's internal control over financial reporting. The Audit Committee's responsibility is to oversee and review the financial reporting process and to review and discuss management's report on the Trust's internal control over financial reporting. The Audit Committee is not, however, professionally engaged in the practice of accounting or auditing and does not provide any expert or other special assurance as to such financial statements concerning compliance with laws, regulations or generally accepted accounting principles or as to auditor independence. The Audit Committee relies, without independent verification, on the information provided to it and on the representations made by the Trust's management and the independent registered public accounting firm.

Pre-Approval Policies and Procedures for Audit and Non-Audit Services

Pursuant to its charter, the Audit Committee must pre-approve the performance of audit and non-audit services. In pre-approving permitted non-audit services, the Audit Committee considers whether the provision of the permitted non-audit services is consistent with applicable law and NYSE policies and with maintaining the independence of the Trust's independent registered public accounting firm.

Fees of Independent Registered Public Accounting Firm in 2012 and 2013

The following information sets forth the fees that we were billed in 2012 and 2013 for audit and other services provided by Grant Thornton, our independent registered public accounting firm during such periods. The Audit Committee, based on its review and discussions with management and Grant Thornton, determined that the provision of these services was compatible with maintaining Grant Thornton's independence. All of such services were approved in conformity with the pre-approval policies and procedures described above.

	2013	2012
Audit Fees	\$559,280	\$460,673
Audit-Related	41,600	68,640
Tax Fees	—	—
Other Fees	—	—
Total Fees	<u>\$600,880</u>	<u>\$529,313</u>

Audit Fees. Audit services consist of professional services rendered by Grant Thornton for the audits of the Trust's annual financial statements and the effectiveness of the Trust's internal control over financial reporting, review of the financial statements included in the Trust's quarterly reports on Form 10-Q and annual report on Form 10-K, services associated with SEC registration statements and other documents issued in connection with the Trust's equity offerings (in 2013 and 2012), and services that are normally provided by the accountant in connection with these filings and other filings. These amounts include reimbursable expenses of \$28,380 and \$25,313 in 2013 and 2012, respectively.

REPORT OF THE AUDIT COMMITTEE

In connection with the Trust's Annual Report on Form 10-K for the fiscal year ended December 31, 2013, and the financial statements to be included therein, the Audit Committee has:

- reviewed and discussed the audited financial statements with management;
- discussed with Grant Thornton, the Trust's independent registered public accounting firm, the matters required to be discussed by the statement on Auditing Standards No. 61, as amended; and
- received the written disclosures and letter from Grant Thornton required by the applicable requirements of the PCAOB regarding Grant Thornton's communications with the Audit Committee concerning independence, and has discussed with Grant Thornton its independence with respect to the Trust.

Based upon these reviews and discussions, the Audit Committee recommended to the Board that the Trust's audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2013 filed with the SEC.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Although shareholder ratification of the appointment is not required by law and is not binding on the Trust, the Audit Committee will take the appointment of Grant Thornton under advisement if such appointment is not ratified. Grant Thornton has served as the Trust's independent registered public accounting firm since 2005. The appointment of Grant Thornton has been ratified by the Trust's shareholders at annual meetings since 2006. See "Audit Committee Disclosure" for a description of fees and other matters related to Grant Thornton's provision of services to the Trust.

The Trust expects that representatives of Grant Thornton will be present at the annual meeting and will be available to respond to appropriate questions. Such representatives will also have an opportunity to make a statement.

The Board of Trustees recommends that the shareholders vote FOR the ratification of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2014.

Vote Required

The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to ratify the Audit Committee's appointment of Grant Thornton as the Trust's independent registered public accounting firm for the year ending December 31, 2014. Abstentions will have no effect on the outcome of the vote.

PROPOSAL 3 — Advisory Vote on Named Executive Officer Compensation

Our Board of Trustees proposes that shareholders provide advisory (non-binding) approval of the compensation of our named executive officers, as disclosed in this proxy statement in accordance with the SEC's rules (commonly known as a "say-on-pay" proposal). We recognize the interest our shareholders have in the compensation of our executives and we are providing this advisory proposal in recognition of that interest and as required by Section 14 of the Securities Exchange Act of 1934, as amended.

In a non-binding advisory vote on the frequency of the say-on-pay proposal held at our 2011 annual meeting of shareholders, shareholders voted in favor of holding say-on-pay votes annually. In light of this result and other factors considered by the Board, the Board has determined that the Trust will hold advisory say-on-pay votes on an annual basis until the next required advisory vote on such frequency. The next advisory say-on-pay vote will occur at our 2017 annual meeting of shareholders.

As described in detail under the heading "Compensation Discussion and Analysis," our named executive officer compensation program is designed to attract, motivate, and retain our named executive officers, who are critical to our success, and ensure

alignment of such persons with shareholders. Under this program, our named executive officers are rewarded for their service to the Trust, the achievement of specific performance goals and the realization of increased shareholder value. We believe our executive officer compensation programs also are structured appropriately to support our Trust and business objectives, as well as to support our culture. The Compensation Committee regularly reviews the compensation programs for our named executive officers to ensure the fulfillment of our compensation philosophy and goals.

Please read the “Compensation Discussion and Analysis,” beginning on page 17, and the “Named Executive Officer Compensation Tables”, beginning on page 29, for additional details about our named executive officer compensation program, including information about the target and earned compensation of our named executive officers in 2013.

We are asking our shareholders to indicate their support for our named executive officer compensation as described in this proxy statement. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies and practices described in this proxy statement. Accordingly, we will ask our shareholders to vote “FOR” the following resolution at the Annual Meeting:

“RESOLVED, that the Trust’s shareholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Trust’s Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the SEC, including the Compensation Discussion and Analysis, the Summary Compensation Table and the other related tables and disclosure.”

The say-on-pay vote is advisory, and therefore not binding on the Trust, the Compensation Committee or our Board. We value the opinions of our shareholders and to the extent there is any significant vote against the named executive officer compensation as disclosed in this proxy statement, we will consider our shareholders’ concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns.

The Board of Trustees recommends a vote FOR the approval of the compensation of our named executive officers, as disclosed in this proxy statement pursuant to the compensation disclosure rules of the SEC.

Vote Required

The affirmative vote of a majority of the votes cast at the annual meeting will be necessary to approve the compensation of our named executive officers. Abstentions and broker non-votes will have no effect on the outcome of the vote.

ADDITIONAL INFORMATION

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Trust’s executive officers and Trustees and persons who beneficially own more than 10% of a registered class of the Trust’s equity securities (“insiders”) to file reports with the SEC regarding their pecuniary interest in any of the Trust’s equity securities and any changes thereto, and to furnish copies of these reports to the Trust. Based on the Trust’s review of the insiders’ forms furnished to the Trust or filed with the SEC and representations made by the Trustees and executive officers of the Trust, no insider failed to file on a timely basis a Section 16(a) report in 2013.

Cost of Proxy Solicitation

The cost of preparing, assembling and mailing this proxy statement and all other costs in connection with this solicitation of proxies for the annual meeting will be paid by the Trust. The Trust will request banks, brokers and other nominees to send the proxy materials to, and to obtain proxies from, the beneficial owners and will reimburse such record holders for their reasonable expenses in doing so. In addition, the Trustees, officers and other employees of the Trust may solicit proxies by mail, telephone, electronically or in person, but they will not receive any additional compensation for such work.

Presentation of Shareholder Proposals and Nominations at 2015 Annual Meeting

Any shareholder proposal intended to be included in the Trust’s proxy statement and form of proxy for the 2015 annual meeting (pursuant to Rule 14a-8 of the Exchange Act) must be received by the Trust at Ramco-Gershenson Properties Trust, Attention: Secretary, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334 by the close of business on November 20, 2014 and must otherwise be in compliance with the requirements of the SEC’s proxy rules.

Any Trustee nomination or shareholder proposal of other business intended to be presented for consideration at the 2015 annual meeting, but not intended to be considered for inclusion in the Trust’s proxy statement and form of proxy relating to such meeting (i.e. not pursuant to Rule 14a-8 of the Exchange Act), must be received by the Trust at the address stated above between

February 4, 2015 and the close of business on March 6, 2015 to be considered timely. However, if the 2015 annual meeting occurs more than 30 days before or 60 days after May 6, 2015, the Trust must receive nominations or proposals (A) not later than the close of business on the later of the 60th day prior to the date of the 2015 annual meeting or the 10th day following the day on which public announcement is made of the date of the 2015 annual meeting, and (B) not earlier than the 90th day prior to the 2015 annual meeting. Such nominations or proposals must also be in compliance with the Bylaws.

Householding

The Trust may elect to send a single copy of its annual report and this proxy statement to any household at which two or more shareholders reside, unless one of the shareholders at such address notifies the Trust that he or she desires to receive individual copies. This “householding” practice reduces the Trust’s printing and postage costs. Shareholders may request to discontinue or re-start householding, or to request a separate copy of the 2013 annual report or 2014 proxy statement, as follows:

- Shareholders owning Shares through a bank, broker or other holder of record should contact such record holder directly; and
- Shareholders of record should contact the Trust at (248) 350-9900 or at Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334. The Trust will promptly deliver such materials upon request.

Your cooperation in giving this matter your immediate attention and in voting your proxies promptly will be appreciated.

2013 Annual Report

The annual report of the Trust for the year ended December 31, 2013, including the financial statements for the three years ended December 31, 2013 audited by Grant Thornton, is being furnished with this proxy statement. If you did not receive a copy of such annual report, you can obtain a copy without charge at the Trust’s website, www.rgpt.com, or by contacting the Trust at (248) 350-9900 or Investor Relations, Ramco-Gershenson Properties Trust, 31500 Northwestern Highway, Suite 300, Farmington Hills, Michigan 48334.
